- Aromatic Oil De-Stress / De-Congestion

## Orange Blossom Cleanser

- all skin types -

### **WHAT IT IS:**

Gentle organic milky cleanser for a healthy and clean skin. The refreshing aroma of orange blossom creates the energy source for your skin.

### **WHAT IT DOES:**

A luxurious milky texture creates a double cleansing action. Non irritating ingredients are used to calm and balance the complexion. Helps to reduce inflammation and a red skin tone.

### **FEATURES AND BENEFITS:**

- Safflower (Carthamus Tinctorius) Oil, Sesame (Sesamum Indicum) Oil and Citrus Aurantium Dulcis (Orange Blossom) Extract for gentle softening, calming and balancing the skin.
- Cymbopogon Schoenanthus (Lemongrass) Extract, Rosmarinus Officinalis (Rosemary) Extract, Quercus Infectoria (Oak) Root Extract, Soja Glycine (Phospholipids), blended with Aloe Barbadensis Extract help to reduce inflammation and sensitivity.
- Orange (Citrus Aurantium Dulcis) Oil, blended with Sesame (Sesamum Indicum) Oil help to create the aroma.

### **USAGE:**

Add a generous amount of cleansing milk to the palm of your hand and gently massage over your face, neck and décolleté. Rinse with warm water. Use twice daily.

### **ACTIVE INGREDIENTS:**

Safflower (Carthamus Tinctorius) Oil, Sesame (Sesamum Indicum) Oil, Citrus Aurantium Dulcis (Orange Blossom) Extract, Soja Glycine (Phospholipids), Cymbopogon Schoenanthus (Lemongrass) Extract, Rosmarinus Officinalis (Rosemary) Extract, Aloe Barbadensis Extract, Amino Acids, Orange (Citrus Aurantium Dulcis) Oil, Potassium Sorbate.

### **AVAILABLE SIZE:**

8 fl.oz / 240 ml, Ref.# 401

## White Tea Toner

- all skin types -

### **WHAT IT IS:**

Dermal vitality with our unique White Tea Toner. Refresh your skin every time you need a boost of revitalization.

### **WHAT IT DOES:**

Organic Camellia Sinensis (White Tea) Extract to hydrate while essential vitamins provide the energy source for your skin. Balances your skin naturally and gives a revitalizing feel.

### **FEATURES AND BENEFITS:**

- Camellia Sinensis (White Tea) Extract, blended with Quercus Infectoria (Oak) Root Extract and Hamamelis Virginiana Extract help to keep the skin clean while at the same time reducing irritation.
- Aloe Barbadensis Extract, Ginkgo Biloba Extract, Melissa Officinalis (Balm Mint) Extract and Rosmarinus Officinalis (Rosemary) Extract, perfectly blended to maintain a proper pH balance on the skin.
- Arnica Montana Flower Extract, Urtica Dioica (Nettle) Extract, blended with Essential Oil of Lavandula Angustifolia (Lavender), Citric Acid and Tocopherol (Vitamin E) for healthy and soft skin.

### **USAGE:**

Mist White Tea Toner after your cleansing regime, morning and evening, or as often as you like. You can also soak a cotton pad and gently massage into your skin. Follow with your day moisturizer.

### **ACTIVE INGREDIENTS:**

Camellia Sinensis (White Tea) Extract, Quercus Infectoria (Oak) Root Extract, Hamamelis Virginiana Extract, Aloe Barbadensis Extract, Ginkgo Biloba Extract, Rosmarinus Officinalis (Rosemary) Extract, Melissa Officinalis (Balm Mint) Extract, Arnica Montana Flower Extract, Citric Acid, Urtica Dioica (Nettle) Extract, Tocopherol, Lavandula Angustifolia (Lavender) Oil, Rosa Canina (Rosehip) Oil, Potassium Sorbate, Tetrasodium EDTA.

### **AVAILABLE SIZE:**

8 fl.oz / 240 ml, Ref.# 402

## Rosehip Vitamin Moisturizer

- all skin types -

### **WHAT IT IS:**

Wellness, aromatherapy, essential oils and plants are incorporated into the rosehip vitamin moisturizer for skin clarity and vitality.

### **WHAT IT DOES:**

A revitalizing moisturizer and light emollient with gentle soothing and calming ingredients that interact with the natural soothing powers of essential oils and Rosehip (Rosa Canina) Oil. Enriched with Vitamins to help build resistance to daily skin irritations and helps to protect the skin from the sun.

### **FEATURES AND BENEFITS:**

- Butyrospermum Parkii (Shea Butter), Prunus Amygdalus Dulcis (Sweet Almond) Oil, Glycine Soja (Soybean) Oil, Cucumis Sativus (Cucumber) Extract, Rosa Canina (Rosehip) Fruit Oil are carefully cultivated and combined with other active ingredients to form an ideal hydrating base of the moisturizer.
- Ethylhexyl Methoxycinnamate, blended with Rosmarinus Officinalis (Rosemary) Extract, Camellia Sinensis (White Tea) Extract for protection from the sun while hydrating at the same time.
- Cymbopogon Schoenanthus (Lemongrass) Oil, Lavandula Angustifolia (Lavender) Oil, Arnica Montana Flower Extract, Quercus Infectoria (Oak Root) Extract, blended with Hydrolyzed Triticum Vulgare (Wheat) Protein, are anti-inflammatory and help with the regenerative effect on the skin. A perfect balance to strengthen skin tissue and control skin irritation.
- Allantoin (Symphytum officinalis L), Boron Nitride, Triticum Vulgare (Wheat) Protein and Amino Acids, Dex Panthenol and Tocopherol help to control oxidation and free radicals. In addition the ingredients support a more balanced and healthy looking skin.

### **USAGE:**

After proper cleansing and refreshing, mornings and evenings, apply to your face, neck and décolleté. Massage lightly.

### **ACTIVE INGREDIENTS:**

Capric/Caprylic Triglycerides, Butyrospermum Parkii (Shea Butter), Prunus Amygdalus Dulcis (Sweet Almond) Oil, Glycine Soja (Soybean) Oil, Cucumis Sativus (Cucumber) Extract, Rosa Canina (Rosehip) Fruit Oil, Quercus Infectoria (Oak Root) Extract, Ethylhexyl Methoxycinnamate, Hydrolyzed Triticum Vulgare (Wheat) Protein, Rosmarinus Officinalis (Rosemary) Extract, Camellia Sinensis (White Tea) Extract, Allantoin (Symphytum officinalis L), Arnica Montana Flower Extract, Boron Nitride, Dimethicone, Triticum Vulgare (Wheat) Amino Acids, Dex Panthenol, Tocopherol, Cymbopogon Schoenanthus (Lemongrass) Oil, Potassium Sorbate.

### **AVAILABLE SIZE:**

2 fl.oz / 60 ml, Ref.# 404

aromatherapy

## Green Tea - Ginseng Mask

anti-aging / all skin types

### **WHAT IT IS:**

Revitalizing and regenerative cream mask to renew and refine skin texture.

### **WHAT IT DOES:**

High concentration of antioxidants and Vitamin E, blended with green tea, ginseng and selected organic herbal extracts help revitalize dry, dehydrated and aging skin conditions.

Enriched with Amino Acids and CA Botana's own Alphasomes C-8™ liposomal delivery system, it helps to protect the skin from free radicals and prevent signs of aging.

### **FEATURES AND BENEFITS:**

- Squalane, Arnica Montana Flower Extract, Olea Europae (Olive) Fruit Extract and Panax Ginseng Extract help to support the phyto-nutrients of the skin and open the epidermal lipid barrier for hydration.
- Hedera Helix (Ivy) Extract, Cucumis Sativus (Cucumber) Extract, Vitis Vinifera (Grapeseed) Extract and Thea Sinensis (Green Tea) Extract are loaded into the Alphasomes C-8™ for an increase of oxygen to activate the carrier process.
- Aloe Barbadensis Extract, Spirulina Maxima Extract, Thymus Vulgaris (Thyme) Extract blended with Heptapeptide-1 and Hyrdolized Avena Sativa (Oat) Protein to create a building block of life and nourishing of the skin with maximum hydration.
- Sodium Hyaluronate, Urtica Dioica (Nettle) Extract, Beta Glucan, Wheat (Triticum Vulgare) Amino Acids, Betula Alba (Birch) Leaf Extract to moisturize and tighten the epidermis.

### **USAGE:**

After proper cleansing, exfoliate and apply Green Tea - Ginseng Mask (keep the skin warm with warm towel or light steam). After 5-7 minutes, remove the residue of the mask and apply a couple of drops of Ginkgosome, followed with the appropriate moisturizer.

### **ACTIVE INGREDIENTS:**

Cetearyl Glucoside, Squalane, Arnica Montana Flower Extract, Olea Europaea (Olive) Fruit Extract, Cetearyl Ethylhexanoate, Panax Ginseng Extract, Kaolin, Hedera Helix (Ivy) Extract, Soja Glycine (Phospholipids), Aloe Barbadensis Extract, Cucumis Sativus (Cucumber) Extract, Vitis Vinifera (Grapeseed) Extract, Thea Sinensis (Green Tea) Extract, Spirulina Maxima Extract, Thymus Vulgaris (Thyme) Extract, Heptapeptide-1, Hydrolized Avena Sativa (Oat) Protein, Sodium Hyaluronate, Urtica Dioica (Nettle) Extract, Beta Glucan, Wheat (Triticum Vulgare) Amino Acids, Dimethicone, Betula Alba (Birch) Leaf Extract, Ascorbic Acid, Tocopherol Acetate, Infusion of Essential Oils.

### **AVAILABLE SIZE:**

1 fl.oz. / 30 ml, Ref.# 712; 9 fl. oz. / 270 ml, Ref.# 7012

**Soy - Apple Mask**  
calming / sensitive / soothing – all skin types

**WHAT IT IS:**

Very skin calming cream mask. Immediate release of irritation and sensitivity.

**WHAT IT DOES:**

The combination of Soy milk and Apple enzymes with Rosehip oil will help to re-balance the skin and reduce tiredness of the skin. Rich in minerals, vitamins and organic herbs, to help calm irritation and to strengthen the natural defense of sensitive skin.

**FEATURES AND BENEFITS:**

- Citrus Medica Limonum (Bioflavonoids) Extract, Sesamum Indicum (Sesame Oil), Nasturtium Officinale (Watercress) Extract, Pyrus Malus (Apple) Extract, Rosa Canina (Rosehip) Oil blended with soy milk creates a calming effect on irritated skin.
- Pinus Taeda (Pine Needle) Extract, Aloe Barbadensis Extract and Salvia Officinalis (Sage) Extract help to reduce redness and rough patches on the skin.
- Rosmarinus Officinalis (Rosemary) Extract, Cymbopogon Schoenanthus (Lemongrass) Extract, Sodium Alginate help to restore moisture, energize the skin and help to oxygenate.
- Equisetum Arvense (Horsetail) Extract, Hydrolized Oat (Avena Sativa) Protein, Humulus Lupulus (Hops) Extract, blended with Retinyl Palmitate and Tocopheryl Linoleate help to strengthen the skin lipid, encourage repair and moisturize.

**USAGE:**

After proper cleansing, apply the mask to face, neck and décolleté. Leave on for 20 minutes and massage the residue into the skin (follow with your moisturizer if necessary). If the skin is extremely sensitive, add 1 spoon of Doctor D. Schwab Anti-Ozone Mask with your mask treatment.

**ACTIVE INGREDIENTS:**

Squalane, Citrus Medica Limonum (Bioflavonoids) Extract, Sesamum Indicum (Sesame) Oil, Nasturtium Officinale (Watercress) Extract, Pinus Taeda (Pine Needle) Extract, Aloe Barbadensis Extract, Panax Ginseng Extract, Soja Glycine (Phospholipids), Salvia Officinalis (Sage) Extract, Rosa Canina (Rosehip) Oil, L-Alanine, Cymbopogon Schoenanthus (Lemongrass) Extract, Sodium Alginate, Equisetum Arvense (Horsetail) Extract, Hydrolized Oat (Avena Sativa) Protein, Pyrus Malus (Apple) Extract, Humulus Lupulus (Hops) Extract, Tocopheryl Acetate, Retinyl Palmitate, Tocopheryl Linoleate, Potassium Sorbate, Citric Acid.

**AVAILABLE SIZE:**

1 fl.oz. / 30 ml, Ref.# 618; 9 fl. oz. / 270 ml, Ref.# 6018

## Honey - Almond Mask

de-stressing – all skin types

### **WHAT IT IS:**

Concentrated mask to balance, restore and rejuvenate overly stressed skin.

### **WHAT IT DOES:**

If slightly warmed, the mask will help to relax pores for a firm, hydrated and refined skin texture. A unique dual-combination of concentrated ingredients of Propolis Extract and Wasabia Japonica (Wasabi) Extract helps to stimulate the natural renewal process of the skin.

### **FEATURES AND BENEFITS:**

- Prunus Amygdalus Dulcis (Sweet Almond) Oil, Buxus Chinensis (Jojoba) Oil, blended with Honey Extract and Propolis Extract provide an energetic and de-stressing cycle for the skin.
- Hypericum Perforatum L (St. John's Wort) Extract, hydrolyzed Avena Sativa (Oat) Protein, Wasabia Japonica (Wasabi) Extract and Soja Glycine (Phospholipids) provide a source of energy and cell metabolism and stimulation.
- Royal Jelly, Retinyl Palmitate, Tocopheryl Linoleate and Aloe Barbadensis Extract help to refine the skin texture, hydrate and smooth.

### **USAGE:**

After proper cleansing (and at the end of the facial treatment), apply mask to face, neck and décolleté. Leave on for 20 minutes, massage the residue into the skin (follow with your moisturizer if necessary). If the skin is super sensitive: add 1 spoon of Doctor D. Schwab Anti-Ozone Mask within your mask treatment.

### **ACTIVE INGREDIENTS:**

Prunus Amygdalus Dulcis (Sweet Almond) Oil, Buxus Chinensis (Jojoba) Oil, Aloe Barbadensis Extract, Honey Extract, Hypericum Perforatum L (St. John's Wort) Extract, Hydrolyzed Avena Sativa (Oat) Protein, Propolis Extract, Wasabia Japonica (Wasabi) Extract, Cyclomethicone, Soja Glycine (Phospholipids), Bentonite (China Clay), Royal Jelly, Retinyl Palmitate, Tocopheryl Linoleate, 2-Phenoxyethanol, Potassium Sorbate, Citric Acid.

### **AVAILABLE SIZE:**

1 fl.oz. / 30 ml, Ref.# 663; 9 fl.oz / 270 ml, Ref.# 6063

**Rosemary - Camphor Mask**  
cooling / invigorating – oily / blemished skin types

**WHAT IT IS:**

Cooling and invigorating gel mask to normalize oily/blemished skin conditions.

**WHAT IT DOES:**

Minimize large open pores, keep the skin clean and cool while a blended combination of extracts helps to calm inflammation, moisturize and fight free radicals.

**FEATURES AND BENEFITS:**

- Radix Althaea (Marshmallow) Root Extract, Hedera Helix (Ivy) Extract, Herba Euphrasia (Eyebright) Extract and Centella Asiatica help to open and unclog pores. Allows the skin to oxygenate and corrects areas of excessive oil production.
- Olea Europaea (Olive) Fruit Extract, Sodium Lactate, Sodium PCA, Glutamic Acid blended with Aloe Barbadensis Extract help to reduce irritated (infected skin) while the bio-active gel of Aloe will normalize the pores.
- Hamamelis Virginiana, Cinnamomum Camphora (Camphor), Rosmarinus Officinalis (Rosemary) Oil and Menthol sanitize the pores and normalize sebaceous oil.

**USAGE:**

After proper cleansing, apply the gel mask at the beginning or end of the facial treatment. Leave on to take effect for up to 20 minutes. Remove with tepid water and follow with appropriate moisturizer.

**ACTIVE INGREDIENTS:**

Radix Althaea (Marshmallow) Root Extract, Hedera Helix (Ivy) Extract, Centella Asiatica, Sodium Carbomer, Olea Europaea (Olive) Fruit Extract, Sodium Lactate, Sodium PCA, Proline, Arginine, Sorbitol, Glutamic Acid, Aloe Barbadensis Extract, Hamamelis Virginiana, Cinnamomum Camphora (Camphor), Rosmarinus Officinalis (Rosemary) Oil, Menthol, Potassium Sorbate.

**AVAILABLE SIZE:**

1 fl.oz. / 30 ml, Ref.# 617; 9 fl.oz / 270 ml, Ref.# 6017

## **COLLASTIN MASK**

(Dehydrated, Dry / Mature, Sun Damaged Skin Types)

### **WHAT IT IS:**

COLLASTIN MASK contains Collagen and Elastin, which are vital elements that are contained in connective tissue. Their presence in the skin ensures deep hydration and promotes elasticity. Collastin is sensitive to heat and should not be exposed to temperatures above 40 degrees Celsius (105 Fahrenheit).

Once the individual sealed packet is opened, the COLLASTIN MASK, has a shelf life of 24 hours. It must be used within 24 hours after opening. The material may be cut and shaped to form closer coverage.

### **HOME USE:**

The Treatment is primarily a Salon Treatment. After the salon treatment for a period of approx. 4-6 weeks, use either the Doctor D. Schwab Cell Renewal Day or Night Cream.

### **SALON USE:**

After cleansing, refreshing and peeling with the Doctor D. Schwab Papaya Enzyme Peel, apply a generous portion of the Ambrosia Hyaluronic Contact Gel with a facial mask brush to the entire face, neck and eye areas.

The Gel is designed to act as a catalyst for deeper penetration when the mask is applied to the skin. If there is an area where the mask is touching the skin and there is no Contact Gel, treatment will not be effective.

### **ACTIVE INGREDIENTS:**

Botanical Collagen, Elastin, Mucopolysaccharides, Hyaluronic Acid

### **AVAILABLE SIZES:**

Professional: Ref. # 7021

## AROMATIC OILS (All Skin Types)

### **WHAT IT IS:**

Concentrated small oil molecules are the essence and composition of the plants and flowers - an important vital life force for a healthy skin condition. The oils are blended from pure essential oils, such as Peppermint, Rosemary, Sandalwood, Basil, Rosehip, etc.

### **WHAT IT DOES:**

Selected and blended essential oils allow penetrating the skin more effectively. Their own lipophilic mixture and application on skin activates the biological substance and promotes well-being of the skin.

### **FEATURES AND BENEFITS AND ACTIVE INGREDIENTS:**

#### **Sensitive/Calming**

- Lavandula Angustifolia (Lavender) Oil, extracted from fresh flowers with calming and soothing action.
- Rosa Gallica & Rosa Centifolia (Rose Petal) Oil, astringent and healing.
- Litsea Cubeba, Valeriana Officinalis (Valerian) Oil, extracted from the root for relaxing and increase in cell metabolism.
- Melaleuca leucadendra (Cajeput) Oil, Matricaria Recutita (Chamomile) Oil, anti-inflammatory action with anti-oxidant effects.
- Vitis Vinifera (Grapeseed) Oil, Tocopherol

#### **Anti-Aging / Re-Energizing**

- Matricaria Recutita (Chamomile) Oil, Santalum Album (Sandalwood) Oil, Citrus Limonum (Lemon) Oil, Lavandula Angustifolia (Lavender) Oil, help to balance and tone the skin, while increasing the cell metabolism of the skin.
- Geranium Maculatum Oil, Citrus sinensis (Orange Blossom) Oil, soothing, regenerating and prevent hyperhydrosis.
- Vitis Vinifera (Grapeseed) Oil, Tocopherol, great anti-oxidant effects and help to block chemical peroxidation.

#### **Balancing/Toning**

- Mentha Piperita (Peppermint) Oil, Rosmarinus Officinalis (Rosemary) Oil, anti-microbial, antibacterial and helps to control skin inflammation.
- Thymus Vulgaris (Citrus Aurantium Dulcis) Oil, Salvia Officinalis (Sage) Oil, anti-oxidant, helps against poor healing of inflammation and increases circulation in skin texture.
- Ananga Odorata (Ylang Ylang) Oil, Vitis Vinifera (Grapeseed) Oil, Tocopherol, natural combination of many acids, revitalizing, stimulating and toning.

## VITAMIN E MASSAGE OIL

-with Rosehip-  
(all skin types)

### **WHAT IT IS:**

Provide a 'royal' massage with the high premium rosehip oil. Has a calming & soothing effect on sun damaged skin.

### **WHAT IT DOES:**

Start your natural, healing, correcting and soothing massage by using the nutrients and essentials from organic rosehip oil. Lifestyle and injury can result in damage and premature aging of the skin. Rosehip oil plays a vital role in the regeneration process of the skin.

### **FEATURES AND BENEFITS:**

- Natural Wheat (Triticum Vulgare) Germ Oil, blended with Macadamia Ternifolia Nut Oil, Avocado (Persea Gratissima) Oil, high on protein and hydrating agents. Acts as an ideal emollient and helps to maintain the skin's water barrier.
- Tocopherol, Vitis Vinifera (Grapeseed) Oil, infused with Bisabolol and Hydrogenated Coconut (Cocos Nucifera) Oil for skin softening and conditioning.

### **USAGE:**

Use as you massage oil either alone or in combination with our Aromatic Oils, blend your own creation for the ultimate benefits.

### **ACTIVE INGREDIENTS:**

Natural Triticum Vulgare (Wheat) Germ Oil, Macadamia Ternifolia Nut Oil, Ethylhexyl Palmitate, Persea Gratissima (Avocado) Oil, Tocopherol, Vitis Vinifera (Grapeseed) Oil, Hydrogenated Cocos Nucifera (Coconut) Oil, Bisabolol.

### **AVAILABLE SIZES:**

64 fl. oz, Ref. # 6000

## CHAMOMILE MASSAGE LOTION

(All Skin Types)

### **WHAT IT IS:**

Chamomile is one of the oldest herbs with a strong aroma with soothing and healing benefits and incorporated into the massage lotion.

### **WHAT IT DOES:**

Camellia Sinensis (White Tea) Extract blended with Anthemis Nobilis (Chamomile) Extract for a very soothing, calming and healing massage, face & body. Ideal to use as a soothing lotion after waxing.

### **FEATURES & BENEFITS:**

- Glycine Soja (Soybean) Oil, Prunus Amygdalus Dulcis (Sweet Almond) Oil, blended with Carthamus Tinctorius (Safflower) Oil and Camellia Sinensis (White Tea) Extract, high on anti oxidants, to keep the skin clean while at the same time reducing irritation.
- Anthemis Nobilis (Chamomile) Extract, infused with Cymbopogon Schoenanthus (Lemongrass) Extract with repairing and antiseptic and anti-itching properties.
- Equisetum Arvense (Horsetail) Extract, Horsechestnut (Aesculus Hippocastanum) Extract, enriched with Ascorbic Acid for soothing, anti-inflammatory action.
- Retinyl Palmitate, Tocopheryl Acetate, Potassium Sorbate, Bisabolol and the infusion of essential oil to promote circulation and stimulate oxygen.

### **USAGE:**

Use as your massage vehicle either alone or in combination with our Aromatic Oils.

### **ACTIVE INGREDIENTS:**

Glycine Soja (Soybean) Oil, Prunus Amygdalus Dulcis (Sweet Almond) Oil, Ethylhexyl Palmitate, Carthamus Tinctorius (Safflower) Oil, Camellia Sinensis (White Tea) Extract, Tocopheryl Acetate, Anthemis Nobilis (Chamomile) Extract, Cymbopogon Schoenanthus (Lemongrass) Extract, Equisetum Arvense (Horsetail) Extract, Horsechestnut (Aesculus Hippocastanum) Extract, Retinyl Palmitate, Ascorbic Acid, Tocopheryl Acetate, Infusion of Essential Oil, 2-Phenoxyethanol, Potassium Sorbate, Tetrasodium EDTA, Bisabolol.

### **AVAILABLE SIZES:**

16 fl.oz, Ref. # 6001

## HYDROPHYLIC OIL

-with grapeseed-  
(all skin types)

### **WHAT IT IS:**

Searching for a light-textured oil with many essential properties, Ambrosia Aromatherapy multi-purpose hydrophilic oil was created.

### **WHAT IT DOES:**

Provides comfort and serenity for stressed and damaged skin, while uplifting and relaxing. Powerful anti-oxidants to rejuvenate the skin. Use as an all-over body oil, or as a water softener for your bath, or as your eye make-up remover, or simply as your personal massage oil – the ideal travel companion.

### **FEATURES AND BENEFITS:**

- Vitis Vinifera (Grapeseed) Oil, pressed from the seeds of various varieties of vitis vinifera grapes, with regenerative and restructuring qualities, while Persea Gratissima (Avocado) Oil, blended with Prunus Amygdalus Dulcis (Sweet Almond) Oil and Carthamus Tinctorius (Safflower) Oil, allow a better control of skin moisturization and help to support the cell membranes.
- Buxus Chinensis (Jojoba) Oil, Hyssopus Officinalis Leaf Oil, infused with Anthemis Nobilis (Chamomile) Essential Oil (from distilled fresh flowers) to help to repair the skin and reduce the look of stretch marks.
- Tocopherol, Tocopheryl Acetate, Retinyl Palmitate help to support the procyanidolic oligomers of the grapeseed oil, great anti-oxidant effects and help to block ingredient peroxidation.

### **USAGE:**

Pour a generous amount in the palm of your hand, massage with moist fingertips. Remove with plenty of water and enjoy a relaxed and healthy looking skin. Or, after shower: towel dry your skin, apply Hydrophyllic Oil all over your body and massage lightly, your skin will feel silky and smooth.

### **ACTIVE INGREDIENTS:**

Vitis Vinifera (Grapeseed) Oil, Persea Gratissima (Avocado) Oil, Prunus Amygdalus Dulcis (Sweet Almond) Oil, Carthamus Tinctorius (Safflower) Oil, Ethylhexyl Palmitate, Buxus Chinensis (Jojoba) Oil, Hyssopus Officinalis Leaf Oil, Anthemis Nobilis (Chamomile) Essential Oil, Tocopherol, Tocopheryl Acetate, Retinyl Palmitate

### **AVAILABLE SIZES:**

8 fl.oz, Ref. # 6002-1, 64 fl.oz, Ref. # 6002-2

## **CHAMOMILE MASK**

(Sensitive, Irritated Skins)

### **DESCRIPTION:**

A homogeneous, soothing botanical mask especially formulated for dry, sensitive skins. CHAMOMILE MASK will help to calm erythema and irritations that may arise from manual extraction, organic hair removal (waxing), electrolysis, etc.

### **FOR PROFESSIONAL USE ONLY!**

### **SALON USE:**

At the end of the facial treatment, apply CHAMOMILE MASK and leave on to take effect for 20 minutes. If the skin is particularly sensitized or has erythema, combine with DR. SCHWAB ANTI-OZONE MASK. Remove the residue of the mask with tepid water and apply DOCTOR D. SCHWAB SENSITIVE DAY & NIGHT MOISTURIZER.

### **ACTIVE INGREDIENTS:**

Octyl Palmitate, Safflower Oil, Kaolin, Bentonite Clay, Sweet Almond Oil, Dex-Panthenol, Vitamin B5, Camomile Extract, Marshmallow Extract, Azulene, Vitamin E Acetate, Vitamin C Ascorbic Acid, Orange Oil.

### **AVAILABLE SIZES:**

Professional: Ref. # 6016
