## **BALANCING CLEANSER**

- Normal, Young & Combination Skin -

### **WHAT IT IS:**

A natural sea mineral & water-soluble cleansing emulsion to help gently lift impurities. This creamy and soothing composition is formulated with Sea Enzymes and Herbal Extracts to normalize the secretion of the sebaceous glands.

### **HOME USE:**

For daily cleansing, mornings and evenings.

Apply BALANCING CLEANSER with the hands, distribute it evenly over face and neck. Massage lightly with upward circular motions, and remove with lukewarm water or esthetic sponges. Pat dry and follow with SEA ENZYME BALANCING REFRESHER.

### **SALON USE:**

Apply with hands, cleanse with light circular motions and remove with lukewarm water.

### **ACTIVE INGREDIENTS:**

Deionized Water (Aqua), Glycerin, Caprylic/Capric Triglycerides, Hydrolyzed Avena Sativa (Oat) Protein, Algae Pheophyceae (Seaweed) Extract, Butylene Glycol, Sodium Alginate (Chondrus Crispus), Decyl Oleate, Fucus Vesiculosus L (Bladderwrack) Extract, Sea Minerals, Aloe Barbadensis Extract, Xanthan Gum (Laminaria), Hydrolyzed Glycine Soja (Soy) Protein, Sorbitan Stearate, Polysorbate 60, Corylus Americana (Hazel) Oil, Squalane, Cucumis Sativus (Cucumber) Extract, Tocopherol Acetate, Ascorbic Acid, Amino Acids, Essential Oil Blend, Phenoxyethanol, Potassium Sorbate, Ethylhexylglycerin, Tetrasodium EDTA, OxyneX K (Peg-8 and Tocopherol and Ascorbyl Palmitate and Ascorbic Acid and Citric Acid).

# Sea Enzyme®

## **BALANCING REFRESHER**

- Normal, Young & Combination Skin -

### **WHAT IT IS:**

Active botanical extracts from land and sea, perfectly blended to maintain a proper pH balance on the skin and to prepare the skin for hydration. This formula will tone, refresh and revitalize the skin.

### **HOME USE:**

Use after daily cleansing, mornings and evenings. Make sure all cleansing milk and make up is removed. While the skin is still moist, apply with fingertips and massage lightly into the skin with patting motions. Do not blot residue, massage into the skin. Follow with SEA ENZYME 24 HOUR MOISTURIZER.

### **SALON USE:**

After removing the facial mask, apply with a cold mister or fingertips. Do not blot. Massage into the skin. Follow with moisturizer.

### **ACTIVE INGREDIENTS:**

Deionized Water (Aqua), Butylene Glycol, Glycerin, Algae Pheophyceae (Seaweed) Extract, Hamamelis Virginiana Extract, Quercus Infectoria (Oak Root) Extract, Fucus Vesiculosus L (Bladderwrack) Extract, Polysorbate 20, Cucumis Sativus (Cucumber) Oil, Ascorbic Acid, Olea Europaea (Olive) Fruit Extract, Symphytum Officinale L (Allantoin), Sodium PCA, Proline, Riboflavin, Glycine, DL Panthenol, Phenoxyethanol, Potassium Sorbate, Ethylhexylglycerin, Tetrasodium EDTA.

# Sea Enzyme®

## 24 HOUR MOISTURIZER WITH NATURAL FREE RADICAL & UVB PROTECTION

- Normal, Young & Combination Skin -

### **WHAT IT IS:**

A selected blend of Sea Enzymes & botanical extracts that have been chosen to help balance & control combination skin conditions. The formula helps to normalize the skin's oil production especially in the T-zone area, balances and minimizes moisture loss, and also soothes, hydrates and tones tissues that are lacking elasticity.

### **HOME USE:**

After cleansing with SEA ENZYME BALANCING CLEANSER and refreshing with SEA ENZYME BALANCING REFRESHER and while the skin is still moist, apply SEA ENZYME 24 HOUR MOISTURIZER in the morning and evening or every time your skin needs moisture.

### **SALON USE:**

Apply at the end of the facial treatment with light patting motions.

### **ACTIVE INGREDIENTS:**

Deionized Water (Aqua), PPG-2 Myristyl Ether, Carthamus Tinctorius (Safflower) Oil, Glycerin, Decyl Oleate, Squalane (Olea Europaea Olive Kernel Oil), Aleurites Moluccana (Kukui) Oil, Aloe Barbadensis Extract, Cetyl Alcohol, Quercus Infectoria (Oak Root) Extract, Soy Lecithin Soja Phospholipids, Rodophyceae (Algae) Extract, Allantoin (Symphytum Officinale L), Niacinamide, Ethylhexyl Salicylate, Algae Pheophyceae (Seaweed) Extract, Hydrolyzed Triticum Vulgare (Wheat) Germ Protein, Royal Jelly, Dex Panthenol, Sodium PCA, Tocopheryl Acetate, Sodium Hyaluronate, Althea Officinalis L (Marshmallow) Extract, Phenoxyethanol, Potassium Sorbate, Ethylhexylglycerin, Bisabolol, Tetrasodium EDTA, Oxynex K (Peg-8 and Tocopherol and Ascorbyl Palmitate and Ascorbic Acid and Citric Acid).

# Sea Enzyme®

## **MOISTURIZING MIST SPRAY WITH NATURAL FREE RADICAL AND UVB PROTECTION**

- All Skin Types, Face & Body -

### **WHAT IT IS:**

A special blend of herbal extracts, humectants and proteins make this the ultimate skin and hair moisturizer on the run. Formulated from natural sea water and sea algae enzymes. A natural sunscreen has been added for outdoor protection. Helps to prevent the bleaching of colored hair, while at the same time increases the moisture balance of the hair. Ideal for both men and women. The perfect moisturizer for every type of job.

### **HOME USE:**

Spray over face, hair, body, makeup, after shaving or anytime your face needs extra moisture. Ideal after indoor or outdoor tanning & traveling.

### **SALON USE:**

Use as pulverization mist after exfoliation, at the end of a face or body wellness treatment, after a makeup application, chemical work on the hair, waxing, tanning, manicure, pedicure, etc.

### **ACTIVE INGREDIENTS:**

Deionized Water (Aqua), Butylene Glycol, Fucus Vesiculosus L (Bladderwrack) Extract, SD Ethenol, Hydrolized Prunus Amygdalus (Almond) Protein, Aloe Barbadensis Extract, Algae Pheophyceae (Seaweed) Extract, TEA Salicylate, Spirulina, Sodium PCA, Fructose, Sucrose, Polysorbate 20, Dextrine, Glutamic Acid, L-Proline, L-Argenine, Aspartic Acid, Quercus Ribur (Oak Root) Extract, Lactic Acid, Fragrance, Phenoxyethanol, Potassium Sorbate, Ethylhexylglycerin, Tetrasodium EDTA.

# Sea Enzyme®

## **MUD (FANGO) MASK**

- For Face & Body -

Combination, Normal, Oily, Acneic Skin, Wellness & Spa Treatments, Detoxification and Cellulite application. Also ideal as a hair treatment.

### **WHAT IT IS:**

Modern research and technology has proven that, through millions of years of building layers on layers of natural clay and through natural fermentation of marine life, a high amount of amino acids and proteins are present which are important for proper skin care and skin nourishment. The clay (Fango) is left in its original natural quality. For added moisturizing benefits we have added Seaweed (fucus vesiculosus) and purified seawater.

### **HOME USE:**

Use at least once a week, or as often as you like. First, cleanse your face with SEA ENZYME BALANCING CLEANSER, tone with SEA ENZYME BALANCING REFRESHER and then apply SEA ENZYME MUD MASK over the face, neck, décolleté and/or body. Leave until dry (approximately 15 minutes) and remove with sponges dipped in warm water or shower. Mist with SEA ENZYME MOISTURIZING MIST SPRAY and follow with SEA ENZYME 24 HOUR MOISTURIZER. If used on the body, follow with SEA ENZYME NORMALIZING SEAWEED BODY OIL and then apply SEA ENZYME SEAWEED CITRUS BODY LOTION.

SEA ENZYME MUD MASK also makes an excellent treatment for oily hair, scalp conditions, and chemically treated hair. Apply mask to the hair, ensuring that it touches the scalp. Apply another portion and comb through the hair. Wrap the hair in plastic and leave on for 25 minutes. Shower or wash out. Mist the hair with SEA ENZYME MOISTURIZING MIST SPRAY. The hair and scalp will be energized and detoxified and display brilliant shine and body.

### **SALON USE:**

Apply with a mask brush on the area(s) to be treated. After mask dries, 'stipple' with wet sponges. After removing the mask, mist with SEA ENZYME MOISTURIZING MIST followed by the selected humectants for face or body.

SEA ENZYME MUD MASK also makes an excellent treatment for the Hair.

## SEAWEED MASK

- Normal, Combination, Dry/Dehydrated Skin, Face, Body & Hair -

### **WHAT IT IS:**

A refreshing, aromatic transparent gel mask with a pleasant cooling effect and the essential ingredients of natural seaweed. A highly concentrated moisturizing mask which also supports oxygenation of the tissues for healthy looking skin. Natural ingredients from the sea and the purest marine extracts are used. A perfect soothing mask after sunburns.

### **HOME USE:**

After cleansing with SEA ENZYME BALANCING CLEANSER & REFRESHER, apply mask to the face, neck and décolleté, leave on for 20 minutes and do not remove.

Massage the residue into the skin and leave on overnight.

For Dry/Dehydrated, Damaged Hair, shampoo with SEA ENZYME BOTANICAL VITAMIN SHAMPOO, towel dry lightly, but leave the hair moist. Apply the mask and comb through the hair with a wide-tooth comb. Wrap in plastic or shower cap and leave on overnight. Shampoo and style as usual the next day.

### **SALON USE:**

Apply the mask with a mask brush on the face, neck, or the entire body. Leave on for 15 minutes. Do not remove the mask. Massage the residue into the skin. Mist with SEA ENZYME MOISTURIZING MIST SPRAY. Massage the residue into the skin and apply SEA ENZYME 24 HOUR MOISTURIZER.

### **ACTIVE INGREDIENTS:**

Deionized Water (Aqua), Sodium Alginate (Chondrus Crispus), Algae Pheophyceae (Seaweed) Extract, Fucus Vesiculosus L (Bladderwrack) Extract, Betula Alba (Birch) Extract, Panax Ginseng Extract, Triticum Vulgare (Wheat) Amino Acids, Hydrolyzed Avena Sativa (Oat) Protein, Quercus Infectoria (Oak) Root Extract, Aloe Barbadosensis Extract, Sea Minerals, Glutamic Acid, Butylene Glycol, Thyme (Thymus Vulgaris) Extract, Hamamelis Virginiana Extract, Glycine Soja Phospholipids, Euphrasia Officinalis L (Eyebright) Extract, Sodium Carbomer, Coffea Robusta (Coffee) Extract, Xanthan Gum (Laminaria), Tocopheryl Acetate, Retinyl Palmitate, Algae Pheophyceae (Seaweed) Oil, Phenoxyethanol, Potassium Sorbate, Ethylhexyl Glycerin, Tetrasodium EDTA.

# Sea Enzyme®

## **FUCUS CORAL +C MASK**

with new and improved ingredients  
- for all skin types -

### **WHAT IT IS:**

Normalizing, cooling mask to help reduce heat and redness of the cell membranes. An emergency mask for all conditions.

### **WHAT IT DOES:**

Utilizes the combination of different types of Seaweed extracts, adding pure Vitamin C powder and stimulating the oxygenation of the skin. Helps to reduce 'heat' in the cell membranes and acts as a cooling agent. Micro nutrients (Micro Algae) present one of the most complex structures of the algae world. Ideal to calm the skin after overexposure to sun or abusing the skin during different peel procedures.

### **FEATURES AND BENEFITS:**

- Phaeophyceae (Seaweed) Laitue de Mer (Chlorophycees), Diatomea (Micro Algae) plus Glutamic Acid, Algae Oligosaccharides and Alginic Acid provide the creamy paste, calm the condition and help to restore the skin's youthful glow.
- L-Glutamic Acid, Sodium Ascorbyl Phosphate and Ascorbic Acid (Vitamin C) help to oxygenate the skin while boosting the cell activity.
- Fucus Vesiculosus, Allantoin and Potassium Sorbate help to balance and cool the skin.

### **USAGE:**

For best results, use any of our masks as a base treatment – before mixing ! Place approx. 1 oz (30 grams) of powder into a bowl, add slightly warm water (2 oz) and stir quickly. Within 1 minute you get a homogeneous and creamy paste. Apply immediately to the face or area to be treated and leave to take effect for at least 15 minutes. Start peeling back the mask by lifting the corners first (the mask has a rubbery consistency). Wash off excess and continue with the rest of your treatment.

### **ACTIVE INGREDIENTS:**

Phaeophyceae (Seaweed), Laitue de Mer – Chlorophycees, Alginic Acid, Diatomea (Micro Algae), L-Glutamic Acid, Sodium Ascorbyl Phosphate, Ascorbic Acid (Vitamin C), Algae Oligosaccharides, Fucus Vesiculosus, Allantoin, Potassium Sorbate

## **BOTANICAL VITAMIN SHAMPOO**

- All Hair Types. Particularly Therapeutic for Dry, Damaged Hair, Oily or Dry Scalps, Color Treated, Chemically Damaged Hair -

### **WHAT IT IS:**

A unique blend of natural vitamins and marine extracts. Birchleaf extract, Wheat Germ, Wheat Gluten and Bladderwrack Extracts help to balance the scalp and to stimulate healthier tissues. Restores natural oil balance, ideal for all hair types.

### **HOME USE:**

Use daily in the shower / bath. Apply twice on long or damaged hair. After the second application leave on for 3-5 minutes and rinse off. Follow with SEA ENZYME BOTANICAL VITAMIN CONDITIONER.

### **SALON USE:**

Suitable for all hair types. Use once or twice as needed. If shampooing twice, leave for 3 - 5 minutes. Follow with SEA ENZYME BOTANICAL VITAMIN CONDITIONER.

### **ACTIVE INGREDIENTS:**

Deionized Water (Aqua), Decyl Glucoside, PEG-7 Glyceryl Cocoate, Lauryl Glucoside, Butylene Glycol, Sodium Lauroyl Oat Amino Acids, Cocamidopropyl Betaine, Avena Sativa Oat Amino Acid, Amonium Laureth Sulfate, Triticum Vulgare (Wheat) Protein, Aloe Barbadensis Extract, Buxus Chinensis (Jojoba) Oil, Methylcellulose, Salvia Officinalis (Sage) Extract, Betula Alba (Birch) Leaf Extract, Glycol Distearate, Fucus Vesiculosus (Bladderwrack) Extract, Citrus Medica Limonum (Bioflavonoids), Tocopheryl Acetate, Linolenic Acid, Essential Oil Blend Fragrance, Citric Acid, Phenoxyethanol, Potassium Sorbate, Ethylhexylglycerin, Tetrasodium EDTA.

## **BOTANICAL VITAMIN CONDITIONER**

- All Hair Types. Particularly Therapeutic for Dry, Damaged Hair, Oily and Dry Scalps, Color Treated, Chemically Damaged Hair -

### **WHAT IT IS:**

A natural vitamin conditioning treatment rich in botanicals, vitamins and hydrolyzed silk. Adds body and shine and manageability to the hair. The smooth consistency allows the conditioner to penetrate immediately, especially into areas where protein and moisture are lacking. Ideal for any type of hair.

### **HOME USE:**

Apply after shampooing with SEA ENZYME BOTANICAL VITAMIN SHAMPOO. Leave conditioner on the hair for 3-5 minutes or as long as desired. Rinse out and continue with styling.

### **SALON USE:**

After shampooing with BOTANICAL VITAMIN SHAMPOO, apply BOTANICAL VITAMIN CONDITIONER. Saturate the entire head thoroughly and leave on for 5 minutes. Rinse out and continue with styling service. The conditioner can also be heated for use as a reconstructive treatment for chemically treated or damaged hair. Saturate the entire head, wrap in plastic or foil and place under dryer for 15-20 minutes.

### **ACTIVE INGREDIENTS:**

Deionized Water (Aqua), Butylene Glycol, Behentrimonium Methosulfate, Buxus Chinensis (Jojoba) Oil, Cetearyl Alcohol, Triticum Vulgare (Wheat) Germ Oil, Trimethylsilylamodimethicone, Citrus Medica Limonum (Bioflavonoids), Hydrolyzed Silk, Dimethicone Copolyol, Hedera Helix (Ivy) Extract, DL-Panthenol (Provitamin B5), Betula Alba (Birch) Leaf Extract, Triticum Vulgare (Wheat) Protein, Aloe Barbadensis Extract, Avena Sativa (Oat) Amino Acid, Nasturtium Officinale (Watercress) Extract, Isolaureth 6, Equisetum Arvense (Horsetail) Extract, Tocopheryl Acetate, Tocopheryl Linoleate, Essential Oil Blend Fragrance, Phenoxyethanol, Potassium Sorbate, Ethylhexylglycerin, Tetrasodium EDTA, Oxyhex K (Peg-8 and Tocopherol and Ascorbyl Palmitate and Ascorbic Acid and Citric Acid).

## **VANILLA.BODY.CREAM**

- For all skin types -

### **WHAT IT IS:**

Vanilla beans and essential oils present pure botanical essences - they are most familiar to us as nature's scents and help to change moods and feelings, enjoyment and self-help perception and growth.

### **WHAT IT DOES:**

Creamy and silky feeling Body Cream. It's best to apply the Vanilla.Body.Cream when the skin is still warm and moist – indulge yourself for a few minutes and enjoy the pleasant aroma of the Body Cream.

### **FEATURES AND BENEFITS:**

- Shea (Butyrospermum Parkii) Butter, blended with Hydrolized Vegetable Protein provides the skin with an immediate feeling of comfort. Green Tea (Thea sinensis) Extract and Avocado (Persea Gratissima) Oil help to heal damaged skin with speedy improvement in moisture and skin texture.
- Vanilla Extract (from Vanilla Beans) will help to pamper and indulge yourself with a beautiful aroma of well being.
- Tocopherol Acetate, Ascorbyl Palmitate, Ascorbic Acid and Citric Acid help in combination, preserve, enhance and improve and stabilize the product.
- Antioxidants to stimulate, skin correct, control skin damage and help to enhance moisturization.

### **USAGE:**

Cleanse or rinse your skin with the Vanilla.Hand.Soap, or use your regular bath & shower product – towel dry your skin and apply a generous amount of Vanilla.Body.Cream to your body and massage lightly.

### **ACTIVE INGREDIENTS:**

Shea (Butyrospermum Parkii) Butter, Sweet Almond (Prunus Amygdalus Dulcis) Oil, Cyclomethicone, Soja Glycine (Phospholipids), Hydrolized Vegetable Protein, GreenTea (Thea sinensis) Extract, Avocado (Persea Gratissima) Oil, Vitamin E Acetate, Vanilla Extract, OxyneX K (Peg-8 with Tocopherol, Ascorbyl Palmitate, Ascorbic Acid, Citric Acid)

## **NORMALIZING SEAWEED BODY OIL**

- All Skin Types -

### **DESCRIPTION:**

Created from the blossoms of Thyme and Geranium, combined with natural essential oils and botanical extracts, this Body Oil has an extraordinarily calming and normalizing effect on the skin of the body. It imparts a feeling of well being and relaxation. The formula is also soothing, softening and highly detoxifying.

### **HOME USE:**

After a bath or shower with SEA ENZYME PRODUCT COLLECTION, while the skin is still moist, apply Body Oil with circular motions on the body, legs and feet until it is completely absorbed.

SEA ENZYME NORMALIZING SEAWEED BODY OIL is an excellent treatment for problem areas, i.e. feet, knees, elbows, calluses, etc.

### **SALON USE:**

Include in the following treatments: Manicures, Pedicures, Day-Spa Body Treatments, Body Massage, Body Wraps, Back Treatment, Hand / Arm / Foot / Leg Massage.

### **ACTIVE INGREDIENTS:**

Vitis Vinifera (Grapeseed) Oil, Bois de Rose, Vertivert, Panax Ginseng, Hypericum Perforatum (St. John's Wort) Oil, Ocimum Basilicum (Basil), Persea Gratissima (Avocado) Oil, Geranium, Fucus Serratus Oil, Thymus Vulgaris (Thyme), Rosa Canina (Rosehip) Oil, Oenothera Biennis (Evening Primrose) Oil, Tocopheryl Acetate, Oxyhex K (Peg-8 and Tocopherol and Ascorbyl Palmitate and Ascorbic Acid and Citric Acid).

## SEAWEED CITRUS SHOWER GEL

- All skin / entire family -

### **DESCRIPTION:**

Foaming body cleanser (Body Wash) with a high concentration of seaweed extracts and botanical oils which have multiple actions on the skin. The oils, through their aromatic properties, create a feeling of well being as well as enhancing any detoxifying program. The rich foam gently reduces irritation and therefore contributes to firming, toning, and de-stressing of the skin.

### **HOME USE:**

Pour a generous portion under running water in your bath (temperature should not exceed 37° C / 98.6° F ). Relax for 10 - 15 minutes to enjoy the moisturizing effect. When showering, pour a generous portion into a damp sponge or your hand. Towel dry your body. Follow with SEA ENZYME NORMALIZING SEAWEED BODY OIL & SEA ENZYME SEAWEED CITRUS BODY LOTION.

### **SALON USE:**

Its versatility and the sea extracts are balancing, revitalizing and re-mineralizing. This SEA ENZYME SEAWEED BODY CLEANSER is excellent for use or inclusion in: Pedicures, Manicures, Day Spa - Body Treatments, Cellulite Treatments, Pre-Body Massage, Hydro-Therapy, Thalassotherapy.

### **ACTIVE INGREDIENTS:**

Deionized Water (Aqua), Lauryl Polyglucose, Sodium Laureth Sulfate, Aloe Barbadensis Extract, Ammonium Lauryl Sulfate, Butylene Glycol, Soja Glycine (Soy) Protein, Cocamidopropyl Betaine, Algae Pheophyceae (Seaweed) Extract, Humulus Lupulus (Hops) Extract, Rosmarinus Officinalis (Rosemary) Extract, Equisetum Arvense (Horsetail) Extract, Pinus Taeda (Pinetree) Extract, Citrus Medica Limonum (Lemon Bioflavonoids) Extract, Fucus Vesiculosus L (Bladderwrack) Extract, Methylcellulose, Citrus Aurantium Dulcis (Orange) Oil, Panax Ginseng Root Extract, Citrus Medica Limonum (Lemon) Oil, Citrus Grandis (Grapefruit) Oil, Citric Acid, Chondrus Crispus (Carageenan), Chlorophyllin, 5-Bromo-5-Nitro-1,3-Dioxane, Tetrasodium EDTA.

### **AVAILABLE SIZES:**

# Sea Enzyme®

## SEAWEED BATH CRYSTALS

- All skin / entire family -

### **DESCRIPTION:**

Natural bath crystals from the ocean, enriched with natural seaweed extracts that contain all the minerals and richness of the ocean. Soluble in hot or cold water. All the minerals and richness of the ocean are kept in the crystals. Fucus oil helps to activate and balance the skin. Excellent for inclusion in all wet room applications, Seaweed Wrap and Spa manicure / pedicure.

### **HOME USE:**

Pour a generous portion into your bath or hot tub while the water is running. To turn into a foaming bath, add SEA ENZYME SEAWEED CITRUS BODY CLEANSER.

### **SALON USE:**

Dissolve SEA ENZYME SEAWEED BATH CRYSTALS for use in Body Wraps, Pedicure, Manicure, Hydro Therapy, Thalasso-Therapy, etc.  
Advanced Spa Treatments & signature treatment offered in our workshops and seminars.

### **ACTIVE INGREDIENTS:**

Pacific Ocean Salt, Silica, Magnesium, Calcium, Chlorophyllin, Algae Pheophyceae (Seaweed) extract, Fucus Serratus (Fucus) Oil.

### **AVAILABLE SIZE:**

Retail/Professional: Ref. # 820

## AROMATIC WELLNESS SOAK

- All Skin Types -

### **DESCRIPTION:**

SEA ENZYME WELLNESS & SPA THERAPY is based on a simple system to renew one's body, mind and soul. The SEA ENZYME Aromatic Wellness Soak is relaxing and invigorating and helps to take away stress & fatigue.

**HOME USE:** Easy to use and fun. Select one of any of the 5 different AROMATIC WELLNESS SOAKS. Use warm water and add a generous amount of AROMATIC WELLNESS SOAK to either your sponges, face cloth or tub. Enjoy the developing aroma of purest herbs in high concentration. Close your eyes, breath deeply, inhale the special blended aroma and let your mind drift into a 'renew' mood. Begin the journey of Wellness of your body - and become yourself again.

### **SALON USE:**

The versatility of the AROMATIC WELLNESS SOAK will give your treatment a new meaning. Enjoy the Wellness Soak right in your treatment room with your treatment towel and hot cabi: just add a few drops of Wellness to your towels, or sponges. Or be more generous, incorporate it with your treatment in the steam room, shower or tub. The heat of the hot cabi will help to develop the aroma. Ideal for retailing.

### **ACTIVE INGREDIENTS:**

- # 205 Eucalyptus Soak: Cocus Nucifera, Eucalpytus Globulus, Juniperus Communis
- # 206 Rosemary Soak: Cocus Nucifera, Rosmarinus Officinalis, Rosmarini Folium
- # 207 Geranium/Lavender Soak: Cocus Nucifera, Maculatum, Piper Nigrum, Santalum Album, Citrus Aurantium, Monarda Punctata, Lavandula Angustifolia
- # 208 Ylang Ylang&Orange Soak: Cocus Nucifera, Ylang Ylang, Lavandula Hybrida, Jasminus Officinals, Ocimum Basilicum, Pimenta Acris, Citrus Aurantium Dulcis, Melissa officinalis
- # 208 Pine Needle Soak: Cocus Nucifera, Pinus Pumilio, Lavandula Angustifolia

## AROMATIC SEA.SALT.SCRUB

- with dead sea salt -

### **WHAT IT IS:**

Back to the basics: Begin your Spa & Wellness Experience at home. Scrubs can be found in many different forms: CA BOTANA under the registered trade mark SEA ENZYME has created a purely natural AROMATIC SEA.SALT.SCRUB.

### **WHAT IT DOES:**

Refine and smooth your entire body with our Aromatic Sea.Salt.Scrub, created with the essential infusion of Olive Oil, Avocado and Japanese Citrus. Your skin will glow and feel pampered.

### **FEATURES AND BENEFITS:**

SEA ENZYME AROMATIC SEA.SALT.SCRUB is enhanced with:

- Minerals, phosphoric acid and oils like olive olea europea (known as the tree of life). Olea europea known historically as being used in ancient Egypt for mummification. In Ezekial 47:12 'God speaks of a tree: the fruit there of shall be for meant, oils and leaves for medicine' This could be the Olive Tree!
- Avocado known for its high content of oleic, palmitic, linoleic and palmitoleic acids and E Tocopherol improves rough ichtyotic skin. Removes the dry horney layer and gives skin a smooth effect.
- Pure Lavender and Japanese Citrus in combination with Sweet Almond and refined Safflower Oil enhance the aromatic effect on your soul, mind & body.
- A unique combination of stabilized Vitamin C & Tocopherol creates an anti-oxidant protection.

You be the judge, there are scrubs but only one SEA ENZYME Aromatic Sea.Salt.Scrub for your own wellness experience.

### **USAGE:**

Cleanse your skin while taking a shower. Apply a generous amount of Aromatic Sea.Salt.Scrub to your body and massage / exfoliate. Complete your interlude with a shower and follow with our Sea Enzyme Seaweed Body Oil and Body Lotion.

## BASIL MINT SEA.SALT.SCRUB

### **WHAT IT IS:**

Back to basic wellness: Herbal plants help to satisfy physiological and psychological needs. Sea salt has proven to be a perfect solution for healthy living. Sea.Salt.Scrub provides a perfect balance for a smooth appearance.

### **WHAT IT DOES:**

Refine and smooth your entire body with our Aromatic Sea.Salt.Scrub, created with the essential infusion of Basil (Ocimum Basilicum) Oil. Your skin will glow and feel pampered.

### **FEATURES AND BENEFITS:**

- Natural Sea.Salt, enriched with Fennel (Foeniculum) Flower Extract and Wasabi (Wasabia Japonica) Root Extract activated with water helps to gently exfoliate the skin.
- Essential Oil of Basil (Ocimum basilicum) with its extraordinary scent helps to make the exfoliation a cheerful experience.
- Arnica Montana Extract helps to revitalize moisture care and provide comfort.

### **USAGE:**

Cleanse your skin while taking a shower. Apply a generous amount of Sea.Salt.Scrub to your body and massage/exfoliate. Complete your interlude with a shower and follow with your Seaweed Citrus Shower Gel and Body Lotion.

### **ACTIVE INGREDIENTS:**

Sea salt , Fennel (Foeniculum Vulgare) Flower Extract, Wasabia Japonica Root Extract, Arnica Montana Extract, Basil (Ocimum basilicum) Oil.

***The secret to healthier, glowing skin is to exfoliate !!***

# Sea Enzyme®

## **EGGNOG.VANILLA.SUGAR.SCRUB MOCHA.ESPRESSO.SUGAR.SCRUB**

### **WHAT IT IS:**

Sugar derives mainly from sugar cane and sugar beets for commercial usage. It is also found in all fruits and plants in more or less quantities. Acts as a preservative in Jams and a variety of foods, enhances the taste, creates a feeling of relaxation to some and hyper- stimulation to others.

### **WHAT IT DOES:**

**Pure sugar blended with aromatic oils allows for a sophisticated spa treatment (dry or wet room) and a natural exfoliation, skin softening and a feeling of well being.**

### **FEATUES AND BENEFITS:**

- Macademia Ternifolia Nut Oil, Safflower (Carthamus Tinctorius) Oil & Evening Primrose (Oenothera Biennis) Oil used for skin softening.
- Grape (Vitis Vinifera) Seed Oil & Apricot (Prunus Armeniaca) Oil help to make the sugar hydrophylic and easy spreadable.
- Avocado (Persea Gratissima) Oil Caramel and Vanilla with Cinnamomum Zeylanicum Bark Oil control the scent and give the skin a balanced relaxation.
- Vitamin E (Tocopherol) and Chestnut (Castanea Sativa) Seed Extract combined act as anti-oxidants and stimulants.
- Coffee Mocha, blended with espresso beans and infused with vanilla gives a unique blend for a total body relaxation and stimulation of the senses.

### **USAGE:**

Cleanse your skin while taking a shower, apply a generous amount of Sugar.Scrub to your body and massage/exfoliate. Complete your interlude with a shower (Vanilla liquid soap) and follow with our Vanilla.Body.Cream for a super soft and renewed body & skin.

### **ACTIVE INGREDIENTS:**

Sugar, Sweet Almond (Prunus Amygdalus Dulcis) Oil, Macademia Ternifolia Nut Oil, Tocopherol Acetate, Safflower (Carthamus Tinctorius) Oil, Evening Primrose (Oenothera Biennis) Oil, Grape (Vitis Vinifera) Seed Oil, Apricot (Prunus Armeniaca) Oil, Caramel, Vanilla, Cinnamomum Zeylanicum Bark Oil, Coffee Mocha.

# Sea Enzyme®

## **GLACIER SALT**

- for full body treatment -

### **DESCRIPTION:**

This unique blend of ingredients is based on a sodium harvest from the Glacier Waters of Northern Canada & Alaska. The high mineral content is kept in suspension and processed into the Glacier Salt. Our Enzyme stimulator Pentasodium Triphosphate Acid is the pH adjuster and the organic salt acts as a buffer. A perfect conditioning & softening treatment while exfoliating. Botanical and algae derived essential oil make this product very special and exclusive.

### **FOR PROFESSIONAL USE ONLY**

### **DAY SPA / SALON TREATMENT:**

Use or include in Spa Manicure, Spa Pedicure, Body Polish, Salt Glow Treatment for the entire body.

Let your client take a shower if available, using Revitalizing Body Cleanser. Exfoliate with Glacier Salt, add Hydrophyllic Oil to the salt, mix, and apply in long smooth glissade massage movement. Work from leg to stomach, décolleté and arms. Remove with sponge/warm towel or shower. Continue with your next step in body /spa treatment, such as mask application or seaweed wraps.

### **ACTIVE INGREDIENTS:**

Glacier Salt, Sodium Sesquicarbonate, Pentasodium Triphosphate, Monosodium Phosphate, Maltodextrin. Essential Oil Blend.

## **ALGAE SPIRULINA CONCENTRATE WRAP**

- for full body treatment -

### **DESCRIPTION:**

This active combination of Seaweed Extract, Spirulina, Bladderwrack Extract, Aloe Vera and Centella Asiatica help to detoxify, de-stress and re-balance the skin.

Ideal for slimming treatments as the special blend activates resistant cellulite spots and promotes lymphatic drainage. For stronger action use it in conjunction with our Cellulite Slimming Gel.

### **FOR PROFESSIONAL USE ONLY**

### **DAY SPA / SALON TREATMENT:**

Cleanse skin with Body Cleanser or Bath Gel, exfoliate with Peppermint Polish or Glacier Salt combination. After you remove the salt, make sure that the skin is clean, continue to apply Seaweed Body Oil. Massage slightly. Apply ALGAE SPIRULINA with your body brush, or your hands. Wrap your client in Mylar foil, cover with blanket and let the wrap take effect for approx. 15 min. Remove and apply S&T Velvet or Slimming Cream C.

Ideal to be used in conjunction with your Hydrotherapy, Vichy Shower, Steam Shower or any water therapy.

### **ACTIVE INGREDIENTS:**

Seaweed Extract, Bladderwrack Extract, Spirulina, Centella Asiatica, Algae Gel, Aloe Vera Concentrate.
